

Information for Exhibitors and Sponsors

The upcoming Trent International Prosthetics Symposium on upper limb prosthetics, is being jointly hosted by ISPO UK and ISPO Netherlands. The congress will take place in Rotterdam, Netherlands, from 19-21 March 2025, on the former cruise ship SS Rotterdam.

As a rough structure, the symposium will comprise a series of keynote presentations, free papers, user experience sessions and clinical problem-solving sessions.

There will be various exhibitor and sponsoring opportunities, including Gold, Silver and Bronze sponsorships, the conference dinner sponsorship, as well as several other sponsorship opportunities shown below. We are keen to have your support for this conference and are open to discussing other sponsorship opportunities if you have suggestions.
